S i r ,

With reference to Government order No.C. 6340-3/P.P. 24-19-34 dated 12th September 1919, I have the honour to -- submit this brief report of my visit to Bezwada as follows:-

I started for Bezwada via Madras on the 15th September with Mr Sambasiva Iyer and reached Madras on the 19th. I visited the Director of Civil Supplies at Madras and took an introductory letter from him to Mr. J. M. Shore, I.C.S., the Deputy Director of Civil Supplies at Bezwada. I also visited the Deputy Traffic Manager S. I. Railway and requested him to issue necessary instructions to the Traffic Superintendents to supply waggons for the quick despatch of the Government consignments of rice. I reached Bezwada on the 21st and visited Mr. Shore on the same day. After completing all my work, I left Bezwada on the 1st of this month and reached Mysore on the 4th. According to your instructions, I have arranged to get 250 bags of rice of the old arrears, 400 tons viz., the total quantity of the September allotment and 200 tons viz., half the quantity of the October allotment i.e., 6350 bags of raw rice in all from -- Bezwada and Ellore. The Deputy Director of Civil Supplies, Bezwada was kind enough to point out to me the reliable Mill-owners wherefrom I could get the supplies. He gave me the samples and I went to the godowns with Mr. Sambasiva Iyer and satisfied myself as to the quality of rice which the Mill-owners

were prepared to give me. I have left Mr. Sambasiva Iyer behind to take charge of the consignments, load them in waggons and pay the Mill-owners as they go on supplying us with rice. I have left the cheque book for safe custody with Mr. Bhore, I. C. S., who has kindly consented to tear the cheques which have already been drawn up by me and give them to Mr. Sambasiva Iyer whenever he goes to Mr. Bhore with the stamped receipts he has obtained from the Mill-owners who have already received payments from him. The arrangements that have been made are quite satisfactory and it will take nearly a fortnight for us to get the whole quantity of rice to Bangalore. However the consignments will be coming regularly from day to day and I am glad to say that the quality of the different sorts of rice given to us by Mr. Bhore has been the very best that was available in the place at the time of my stay at Bezwada. The way in which the different consignments have been distributed among the Mill-owners is as follows:-

September allotment (400 tons) plus

250 bags (arrears).

Mill-owner.	Quantity in bags of 166 lbs with gunny.	Rate.	Place.
Mr. Guttam Ramiah.	2000	11-12--0	Ellore.

I request you therefore to kindly instruct the Mysore Bank to place in my name, immediately, at the Bank of Madras, Bezwada, a further sum of Rupees Eleven thousand and five hundred (11,500/-).
